GET THE FACTS!
EDUCATION is the best antidote to doubt and fear

More than 200,000,000 Americans have gotten the shot.
Find someone you know who has been vaccinated and talk to them about your doubts and worries.

THE VACCINES CANNOT
• GIVE YOU COVID
• MAKE YOU INFERTILE
• TRACK YOUR WHEREABOUTS

THE VACCINES WILL
PROTECT YOU FROM SERIOUS ILLNESS AND WILL PROTECT THOSE AROUND YOU

3 out of 4 REPORT NO AFTER EFFECTS OR ONLY MILD ONES
Among those who had mild side effects - a headache, a slight fever, fatigue, arm soreness - most said they lasted for only a day or two.
